It is a big tree, and I feel the siting of it was unneighbourly. I don't know what the ultimate height of the tree would be, but I suggest that it could be reduced in size.

11.11. **Nicky Packer.** A grant from The National Lottery Heritage Fund was awarded to Ruspidge Memorial Hall based on a report of wildlife enhancements to be installed. This included “Boundary hedgerow creation – if the RWT Trustees can be persuaded, a native hedgerow could be planted the park side of the western ‘boundary fence’. Future costs for trimming the hedgerow will need to be considered by the trustees.
